## MACDONALD GOLF

The Costa del Sol has rightfully earned a reputation as the leading destination for winter golf in Europe and aims to maintain that position by continuous investment in both existing and new golf courses. Calanova is a very welcome addition to our local courses and offers exceptional value on its challenging and spectacular lay-out. Situated inland from the village of La Cala, Calanova is just 10 minutes from Macdonald Dona Lola/Macdonald Leila Playa and 35 minutes from the Macdonald Villacana Club.

Should you wish to savour some of the local courses please complete this form in full and our experienced golf staff will be delighted to make all the necessary reservations for you. The vouchers will then be ready for collection on your arrival and all green fees will be charged to your apartment account. In order to ensure the tee times and courses of your choice early booking is essential and please make sure you include the handicaps of all players as some courses require this information prior to accepting a reservation.
